Extras

Walltopia offers a selection of pieces, connectors and equipment to simplify the operation of the Ninja Course.

Colors

The course's obstacles, column padding and airbags are available in any desired color of the RAL classic palette and can also be branded with a logo or a personalized message.

Personalized padding print

We can customize the padding by incorporating your distinctive logo or message, making sure that the place serves the message you want it to serve.

CUSTOMIZATION

Racing Lines

- Turn the experience into a competition
- Time & rank visitors' speed
- A great incentive for group visits and increased repeatability
- Contains a starting button, stop button and a screen that displays the time
- Optional smoke machine and sound system
