WALLTOPIA

OVER 2200 PROJECTS

IN 80 COUNTRIES ON 6 CONTINENTS

It all started back in 1998 in a garage in a small town in Bulgaria where two friends combined their passion for climbing with their business know-how.

Ivaylo Penchev and Metin Musov gave up on their professional climbing careers to build a company that would soon change the whole indoor climbing industry.

Today Walltopia is the world's leading climbing wall manufacturer with over 2000 projects successfully completed around the globe.

Our sales offices in the USA, Canada, China, UAE, Asia Pacific, our Head office in Sofia, Bulgaria, and our four production plants employ more than 600 people.
